In The Shadow Of The Banyan Vaddey Ratner, 2012-09-13 A stunning, powerful debut novel set against the backdrop of the Cambodian War, perfect for fans of Chris Cleave and Chimamanda Ngozi Adichie For seven-year-old Raami, the shattering end of childhood begins with the footsteps of her father returning home in the early dawn hours bringing details of the civil war that has overwhelmed the streets of Phnom Penh, Cambodia's capital. Soon the family's world of carefully guarded royal privilege is swept up in the chaos of revolution and forced exodus. Over the next four years, as she endures the deaths of family members, starvation, and brutal forced labour, Raami clings to the only remaining vestige of childhood - the mythical legends and poems told to her by her father. In a climate of systematic violence where memory is sickness and justification for execution, Raami fights for her improbable survival. Displaying the author's extraordinary gift for language, *In the Shadow of the Banyan* is a testament to the transcendent power of narrative and a brilliantly wrought tale of human resilience. 'In the Shadow of the Banyan is one of the most extraordinary and beautiful acts of storytelling I have ever encountered' Chris Cleave, author of *The Other Hand* 'Ratner is a fearless writer, and the novel explores important themes such as power, the relationship between love and guilt, and class. Most remarkably, it depicts the lives of characters forced to live in extreme circumstances, and investigates how that changes them. To read *In the Shadow of the Banyan* is to be left with a profound sense of being witness to a tragedy of history' Guardian 'This is an extraordinary debut ... as beautiful as it is heartbreaking' Mail on Sunday

Aid Dependence in Cambodia Sophal Ear, 2013 Dr. Ear argues that the international community has chosen to prioritize political stability above all other governance dimensions, and in so doing has traded a modicum of democracy for an ounce of

security. Focusing on post-1993 Cambodia, Ear explores the unintended consequences in post-conflict environments of foreign aid. He chooses Cambodia both for personal reasons--which infuses an academic analysis with a compelling sense of urgency--and because it is one of the most aid-drenched countries in modern history. He tries to explain the relationship between Cambodia's aid dependence and its appallingly poor governance. He concludes that despite decades of aid, technical cooperation, four national elections, no open warfare, and some progress in some parts of the economy, Cambodia is one broken government away from disaster.--Publisher's description.

The Cambodia Forum Institute of Southeast Asian Studies,2011 Cambodia was once in the news for all the wrong reasons: relentless bombing during the Vietnam War, genocide during the Khmer Rouge era, and the ghastly human dislocation, misery, and poverty that are the legacies of war and conflict. In recent years, however, Cambodia has emerged as one of ASEAN's stories of hope, a country determined to put its past behind it and take its place among the emerging successes of Southeast Asia. To capture the new mood, the Institute of Southeast Asian Studies (ISEAS) in Singapore and the Cambodian Institute for Cooperation and Peace (CICP) organized a one-day Cambodia Forum on 23 April 2010 at the Conrad Centennial, Singapore to examine the key sectors in Cambodia's developmental thrust. Cambodian leaders, policymakers, and academics looked at the role of governance in creating the thrust; the economic strategy needed to sustain that thrust; the role of investment and business policy; the human resources policy necessary for sustained economic growth; and the role of energy and the environment. Addressing a host of issues under these broad areas, the forum participants provided an insider's view of how Cambodia could leverage on its strengths to move into a new era. The Keynote Address also analyses the state of bilateral relations between Cambodia and Singapore.

Deathpower Erik W. Davis,2015-12-08 Drawing on extensive ethnographic fieldwork in Cambodia, Erik W. Davis radically reorients approaches toward the nature of Southeast Asian Buddhism's interactions with local religious practice and, by

extension, reorients our understanding of Buddhism itself. Through a vivid study of contemporary Cambodian Buddhist funeral rites, he reveals the powerfully integrative role monks play as they care for the dead and negotiate the interplay of non-Buddhist spirits and formal Buddhist customs. Buddhist monks perform funeral rituals rooted in the embodied practices of Khmer rice farmers and the social hierarchies of Khmer culture. The monks' realization of death underwrites key components of the Cambodian social imagination: the distinction between wild death and celibate life, the forest and the field, and moral and immoral forms of power. By connecting the performative aspects of Buddhist death rituals to Cambodian history and everyday life, Davis undermines the theory that Buddhism and rural belief systems necessarily oppose each other. Instead, he shows Cambodian Buddhism to be a robust tradition with ethical and popular components extending throughout Khmer society.

Facing Death in Cambodia Peter H. Maguire, 2005 This book is the story of Peter Maguire's effort to learn how Cambodia's culture of impunity developed, why it persists, and the failures of the international community to confront the Cambodian genocide. Written from a personal and historical perspective, *Facing Death in Cambodia* recounts Maguire's growing anguish over the gap between theories of universal justice and political realities. Maguire documents the atrocities and the aftermath through personal interviews with victims and perpetrators, discussions with international officials, journalistic accounts, and government sources.

Photography in Cambodia Nicholas Coffill, 2022-07-05 A stunning visual journey through Cambodian culture, history, art, struggle, and modernization. Cambodia has two parallel histories. One is the constant stream of adventurers and diplomats, kings and rebels, archaeologists and artists drawn to the magnificent ruins at Angkor. Another is the formation of a nation through the Cambodian people's fierce struggles with colonialism, war, revolution, famine, and finally, the long road to recovery. This book captures these parallel stories through the eyes of talented photographers who were present to record such events. The images, which include many rare and never-before-published photos, are drawn from archives, national collections, libraries, and private collections. This treasure trove of nearly 500 photographs showcases the work of over 100 photographers—including pioneering female photographers, Cambodian and international photographers, and some who died soon after the rise of the Khmer Rouge. Within these pages, readers will find a fresh perspective on Cambodia. From the early days of French colonialism through the struggle for independence, and emergence into an uneasy peace in the 21st century.

Ma and Me Putsata Reang, 2022-05-17 Winner of the 2023 Pacific Northwest Book Award. Finalist for the 2023 Lesbian Memoir/Biography Lambda Literary Award A nuanced meditation on love, identity, and belonging. This story of survival radiates with resilience and hope. —Publishers Weekly (starred review) This openhearted memoir . . . opens the door to include queer descendants of war survivors into the growing American library of love.” —Sarah Schulman, author of *Let the*

Record Show When Putsata Reang was eleven months old, her family fled war-torn Cambodia, spending twenty-three days on an overcrowded navy vessel before finding sanctuary at an American naval base in the Philippines. Holding what appeared to be a lifeless baby in her arms, Ma resisted the captain's orders to throw her bundle overboard. Instead, on landing, Ma rushed her baby into the arms of American military nurses and doctors, who saved the child's life. "I had hope, just a little, you were still alive," Ma would tell Put in an oft-repeated story that became family legend. Over the years, Put lived to please Ma and make her proud, hustling to repay her life debt by becoming the consummate good Cambodian daughter, working steadfastly by Ma's side in the berry fields each summer and eventually building a successful career as an award-winning journalist. But Put's adoration and efforts are no match for Ma's expectations. When she comes out to Ma in her twenties, it's just a phase. When she fails to bring home a Khmer boyfriend, it's because she's not trying hard enough. When, at the age of forty, Put tells Ma she is finally getting married—to a woman—it breaks their bond in two. In her startling memoir, Reang explores the long legacy of inherited trauma and the crushing weight of cultural and filial duty. With rare clarity and lyric wisdom, *Ma and Me* is a stunning, deeply moving memoir about love, debt, and duty.

[The Wedding Party](#) Robyn Carr, 2022-05-02 From the #1 New York Times bestselling author of the hit *Virgin River* series. In this hilarious contemporary romance tale from Robyn Carr, readers are swept into a conflicted bride's whirlwind journey to the most chaotic wedding event of the year. After her divorce, Charlene Dugan vowed never to get married again—a promise she has kept for twenty-five years. Until the fateful day she finds herself uttering the well-known phrase—"Let's get married!" Almost immediately, Charlene's seemingly perfect life begins unraveling at the seams. Daughter Stephanie's own relationship is about to disintegrate, and she might be just a teensy-weensy bit jealous of her mom. And Charlene seems to be spending more time with her ex-husband than with her fiancé, Dennis. What's more confusing is that Dennis doesn't seem to mind too much. In fact, he sees the wedding consultant more often than Charlene does. The wedding party is now officially out of control. They're calling for rain and the bride has cold feet. This isn't exactly what Charlene had in mind. But maybe it's not too late to finally decide on who and what she really wants. Previously published.

[The Lost Executioner](#) Nic Dunlop, 2011-03-29 In Cambodia, between 1975 and 1979, some two million people died at the hands of the Khmer Rouge. Twenty years later, not one member had been held accountable for the genocide. Haunted by an image of one of them, Comrade Duch, photographer Nic Dunlop set out to bring him to life, and thereby to account. I needed to understand how a movement that laid claim to a vision of a better world could instead produce a revolution of unparalleled ferocity; how a seemingly ordinary man from one of the poorer parts of Cambodia could turn into one of the worst mass murderers of the twentieth century: Weaving seamlessly between past and present, Dunlop unfolds the history of Cambodia as a lens through which to understand its tragic last forty years. He makes clear how much responsibility the United States

must share, through failed political alliances and the illegal bombing of Cambodia, for the bloodshed that followed. Guided by witnesses, Dunlop teases out the details of Duch's transformation from sensitive schoolchild and dedicated teacher to the revolutionary killer who later slipped quietly back into village life. From the temples of Angkor to the prisons of Pol Pot's regime, to his unexpected meeting with Duch himself, Dunlop's special vision as a photographer enlarges our own. *The Lost Executioner* is a blend of history and testimony-and a reminder that, whether in the killing fields of Cambodia or the deserts of Darfur, if we turn our backs on genocide, we must bear a collective guilt.

Sex, Love and Money in Cambodia Heidi Hoefinger, 2013-07-04 Dealing with the complex and discomfiting 'grey' area where sex, love and money collide, this book highlights the general materiality of everyday sex that takes place in all relationships. In doing so, it draws attention to and destigmatizes the transactional elements within many 'normative' partnerships - be they transnational, inter-ethnic or otherwise. Focusing on Cambodia, and on a subculture of young women employed in the tourist bar scene referred to as 'professional girlfriends', the book shows that the resulting transnational relationships between Cambodian women and their foreign partners are complex and multi-layered. It argues that the sex-for-cash prostitution framework is no longer an appropriate model of analysis. Instead, a new vocabulary of 'professional girlfriends' and 'transactional sex' is used, with which the nuanced complexities of these transnational partnerships are analysed. Interdisciplinary in nature, the book inspires new understandings of gender, power, sex, love, desire, political economy and materiality within everyday relationships around the globe. It is a useful contribution for students and scholars of Anthropology, Sociology, Southeast Asian Studies, Gender and Sexuality Studies, and Cultural Studies.

Carrying Cambodia Conor Wall, Hans Kemp, 2010 Unbelievable feats of transportation are an everyday occurrence on the streets of Cambodia. Tuk-tuks, cyclos, cars, trucks, motorbikes and bicycles transport loads that defy your wildest imagination. Tuk-tuks crammed to the roof with fruit and veg, beaten-up old taxis transporting pigs bigger than people, beds bigger than pigs and water tanks bigger than beds Six people on one small motorbike, and sixty-seven people standing on the back of a flatbed lorry. Photographers Hans Kemp and Conor Wall spent hundreds of long, painful hours on the back of motorbikes documenting this unique street culture, resulting in this amazing book loaded with incredible photographs that will forever change your definition of packed

Love and Loss in Cambodia Debra Groves Harman, 2019-07-02 Debra Groves Harman's memoir concerns living in Cambodia in the 1990s, an era that included the still-active Khmer Rouge, factional fighting in the streets of Phnom Penh, and her personal life disintegrating in a predictable fashion. This is a story of love, loss, and resilience.
